There's also a licensed restaurant and outdoor bar area overlooking the creek, an ideal spot for a cool drink at the end of the day. Come the evening, guests will enjoy delicious home-style meals with time to relax around the campfire.

Close to all of the park's highlights, including Cathedral Gorge and Piccaninny Creek, the lodge is one of only a handful of accommodation facilities in the area and features both solar power and a sensitive wastewater treatment system to minimise the impact on this fragile and beautiful part of the Kimberley.

In 2017 Outback Spirit became a 50% owner of the Bungle Bungle Savannah Lodge, in partnership with Aviair in Kununurra.

Between August and October, you'll see humpback whales migrating along the coast, just metres beyond the Reef.
